VETERAN ENCODE HACKER

---

Software & Blockchain Engineer with +20 years experience  
in the Gaming, Media, and Music industries

Built Android/iOS apps and games hitting +100 million installs

Proud to be part of the first real tones created

The background is a vibrant, stylized illustration of a tropical jungle. It features a variety of green leaves in different shapes and sizes, including palm fronds, broad tropical leaves, and clusters of small, round fruits. At the bottom, there are several small, colorful flowers in shades of yellow, orange, and pink. The overall color palette is dominated by various shades of green, with a bright yellow-green background in the center where the text is located.

Thank you
